## PRINCIPAL'S MESSAGE

Last Monday we had the privilege of listening to Joe Roberts present to our high school students his message "Don't Buy the Lie About Getting High". Joe Roberts, former addict living on the streets of Vancouver and now successful business man, husband and father of two spoke powerfully to our students about buying into the lie about drug and alcohol experimentation and where it can lead. Joe did not glamorize drug use, but shared first hand the harsh realities of the destructive path that can result in trying something just once. He shared that addicts of all kinds come from all walks of life – no one is immune. Our students listened attentively as he shared in a humble yet captivating style and at their level. Joe shared from a Christian point a view the grace and help that is available to those who are ensnared by vices of all kinds. We are grateful to have had Joe present such a powerful message to our students and in such a God-honouring way. For more information on Joe Roberts and his Foundation, check out [www.shoeboogiemanager.com](http://www.shoeboogiemanager.com).

All seats are taken in all three performances of *Jonah*. Due to many requests, plans are being made to have a fourth (and possibly fifth) show. We are hoping for April 27th at 7:00 but please wait for confirmation of that time.

## OUR LITTLE PRESCHOOL ~ A BIG HELP

Teacher Mrs Viswasam and her helper Mrs Trisevic have our little preschoolers busy this year helping out with the ADOPT A STREET PROGRAM. Cherry Lane preschool children joined the grade 2 class for the month of April and worked hard cleaning the school playground, the parking lot, and the street ~ equipped with a bright vest, garbage bags and a special picker upper thingy.

Mrs Viswasam said, "It is important that we teach our students to keep our beautiful world tidy and clean!" The children loved it...it was a fun thing for them to do ... and the weather was beautiful. Cherry Lane students are proud to be part of the Regent Christian Academy community!

## LEARN TO BUILD A ROBOT

For Students aged 5–8 + 9–14

During our spring break, Gateways Learning Centre used our school classrooms to provide camps for children interested in learning about and building robots.

Once again Gateways is offering similar classes to our students after school on Tuesdays beginning April 27<sup>th</sup> to June 29<sup>th</sup>. Classes are from 3:00pm to 5:00pm. Children aged 5 to 8 can sign up for Robotics 2 where they learn about and build simple robot solutions. Children aged 9 to 14 can sign up for Robotics 3 where they learn to design, program, and control fully-functional models.

If you are interested in sending your child to one of the Gateways after school programs, call them to reserve a spot.

Please be advised that this is not an RCA-sponsored program.

**DATES:** April 27th to June 29th, 10 classes, 2 hrs/ class.

**COURSES:** Robotics 2: \$150  
Robotics 3: \$200 (10 spots available for each class)
